MEMORANDUM

March 24, 2006

To: All Team Saskatchewan Participants

From: Lyle Daniels, Chef de Mission

Re: Criminal Record Check

Dear Friend,

Effective April 1, 2006, the North American Indigenous Games Team Saskatchewan office has implemented a policy whereby each athlete, coach, support staff, chaperone, and mission staff members are required to be screened through a registered check with the Canadian Police Information Centre (CPIC).

In adherence with this policy, Team Saskatchewan has asked the assistance of City of Saskatoon Police Services – Aboriginal Liason, Constable Preston Parenteau and City of Regina Police Services – Aboriginal Liason, Sargeant Clayton Lerat to complete this task.

In order for us to conduct the criminal record check we must have permission from the individual if they are 18 years of age or older. For all members of Team Saskatchewan under the age of 18 years, a parent or guardian must provide permission with signatures of both the minor and consenting parent to register the search.

This police check is a requirement of your participation within NAIG Team Saskatchewan. All information will be held within the guidelines of the *Privacy Act, January 1, 2004*. All information is confidential and follow-up will be the responsibility of the signed parties. If you have questions about completing this task please do not hesitate to call our office.

Thank-you for your prompt response in signing the authorization below.
