Softball wrapped up a hectic schedule with all teams providing fans with great entertainment and showcasing excellent efforts made by athletes and coaches. All of the Team Saskatchewan Female teams displayed great enthusiasm and effort although ending their competition in contention to make the medal rounds. The Team Saskatchewan Male teams were in the hunt all the way through competition and were successful in the medal rounds. The midget boys lost a heartbreaker in the gold medal game to Team Manitoba, but achieved a Silver medal. The juvenile boys won a gold medal over Team Nova Scotia in what was known as the most exciting game of their competition. Being down 5 to 4 in the bottom of the seventh inning a huge homerun was hit by Dustin Keshane to tie the game, then after a walk and an error the winning run crossed the plate. As per a conversation with the coach of Team Nova Scotia he stated that if there was to be a Most Valuable Player it would have for surely been Dustin Keshane grabbing that honour.

See ya all at the ballpark,

Clay DeBray
