Chef de Mission Courage Bear

It gives me great pleasure to bring greetings on behalf of Team Saskatchewan. I look forward to the challenge of being Chef De Mission, and look forward to working with all our mission staff and coaches. Saskatchewan always sends the finest athletes and Cowichan 2008 will be no different. Many tryouts have begun and many more sports will be held in the upcoming months, I would like to thank the many volunteer coaches and coordinators for their commitment to our youth. Without these people Team Saskatchewan would not be a success. Good luck to all the athletes at the upcoming tryouts, work hard, stay in school and take care of yourself.
